Livingstone Primary and Nursery School
Home School Agreement

At Livingstone we regard education as a partnership between home and school. We have a shared responsibility for the education of our children. Close co-operation creates a positive climate that is of benefit to all.

This agreement seeks to emphasise the key responsibilities we each have including treating everyone, including members of staff with respect.

It is important the online form linked with this agreement is responded to by parents/carers and their children as an indication of their commitment to school and its values.

The School

- We aim that all children achieve their maximum potential in academic, physical, artistic, recreational and social skills.
- We will provide a happy secure environment in which children are encouraged to become confident, enquiring and independent learners.
- We expect high standards of self-discipline and behaviour.
- We will communicate regularly with parents, providing information on children's progress, events in school, work to be covered each term and will respond to any concerns.
- We will provide regular homework according to the school's policy.
- We recognise the needs of each child and will provide encouragement and support in consultation with parents/carers.

The Parent/Carer

- I will ensure that my child attends school regularly, punctually and dressed in the correct school uniform without wearing jewellery.
- I will take an interest in the whole life of the school and support the progress of my child through attendance at parent's evenings, class assemblies and related meetings whenever possible.
- I will support my child through homework and other opportunities for learning outside school.
- I will support the school's behaviour policy
- I will inform the school of any changes in home circumstances that may affect my child within school.
- I will use social media in a responsible way in respect of school matters and the privacy of others

The Child

- I will respect adults and other pupils.
- I will try my best with class work and homework at all times.
- I will keep to the school rules and follow the behaviour code.
- I will arrive on time for the school day, dressed in the proper school uniform.
- I will help to keep the school building and equipment clean and tidy.
- I will ensure that I maintain these values as a pupil of Livingstone at all times

Please note that the school accepts no responsibility for loss or damage to items brought into school at the request of parents/carers. Our insurance policy does not cover personal possessions.
